CERTIFICATE

Following your enquiry, we would like to confirm that Section B of the governing board of the Greek NARIC, at the board meeting of 16 April 2021, after hearing the proposal of the competent committee, decided to recognize the Higher Education Institution E-CAMPUS UNIVERSITÀ – ITALIA, as equivalent to the Greek Higher Education Institutions.

The present certificate does not substitute the certificate of recognition of “equivalence” or “equivalence and correspondence” of degrees awarded by the above mentioned Higher Education Institution. The academic recognition of degrees is conducted under the requirements laid out in the law 3328/2005.

According to the law 3328/2005, studies that have taken place in Greece, in annexes of foreign universities, do not fall into the scope of the legislation relating to academic recognition by the Greek NARIC.

With reference to the academic recognition procedure of foreign universities’ degrees, it is specified the submission of a personal application to the Greek NARIC is necessary, as described in the law 3328/2005.
